Annual Report

Northwest Hope & Healing
nwhopeandhealing.org

Every cancer patient deserves security, community, and hope for the future.

We believe that no cancer patient should have to choose between life saving treatment and providing for their family. That is why we provide assistance for everyday living expenses such as groceries, reliable transportation, rent, and childcare.

A word from our Executive Director

As I reflect on the past year, I am overwhelmed with gratitude for the incredible dedication of the Northwest Hope & Healing community. Our mission has remained steadfast - providing unwavering support to those facing breast and gynecologic cancer. Thanks to the generosity, compassion, and commitment of our supporters, we continue to grow and evolve, ensuring that no one faces cancer alone.

In 2025, we proudly celebrate our 25th anniversary—a milestone made possible by the unwavering leadership of our Board of Directors and the extraordinary support of our volunteers, donors, and partners. Their dedication, vision, and generosity drive our mission forward, ensuring that we can continue providing critical support to those in need.

A cornerstone of our success is our strong partnership with Providence Swedish Cancer Institute. Together, we recognize that healing extends beyond treatment - it is about caring for the whole person and ensuring that no one walks this journey alone.

As we mark this special anniversary year, we invite you to join us for our **Life in Color: Summer Brunch, Auction, & Fashion Show on August 17, 2025** - our signature 25th anniversary celebration. More than just a fundraiser, this unforgettable event will honor the resilience of our survivor models, the generosity of our community, and the hope we bring to those facing cancer.

Thank you for being part of the Northwest Hope & Healing journey. Your continued support allows us to uphold our mission and extend hope to those who need it most. Together, we are shaping the future of Northwest Hope & Healing, one act of kindness at a time.

With heartfelt appreciation,

Tricia Johnson

A Letter from the President of the Board

This year has been one of remarkable growth and deepened partnerships, marking another step forward in our mission to support local breast and gynecologic cancer patients. As I reflect on my time as President of the Board of Directors, I am filled with gratitude for the incredible community that makes this work possible.

In 2024, we have seen an extraordinary increase in support from our dedicated partners, that has resulted in a solid foundation of resources as reflected in our annual report. Partners such as The Windermere Foundation and The Pink Ribbon Army have played an instrumental role in strengthening our programs. Their generosity and commitment ensure that patients in our community receive the immediate financial assistance and emotional support they need during treatment. We are also profoundly grateful to Bonneville Seattle for amplifying our mission and helping us raise awareness through their broadcasting efforts. 2025 will be an exciting year as we use our resources to expand our reach and impact in the community.

These partnerships, along with the unwavering support of our donors, volunteers, and community, have allowed us to provide more assistance than ever before. We ended 2024 with a historic donation of \$250,000 to the Patient Assistance Fund. This donation marks \$2.75 million in financial assistance to over 6,000 patients across the Puget Sound region. Northwest Hope & Healing continues to make a lasting impact 25 years after its founding.

As I step into my final year as President, I am deeply honored to have served in this role. It has been a privilege to work alongside such passionate individuals who share a steadfast commitment to our mission. While leadership may change, I know that Northwest Hope & Healing will continue to grow, evolve, and make a lasting difference in the lives of those we serve.

Thank you for being a key part of our mission. Together, we will continue to bring hope, strength, and healing to those who need it most.

2024 Distribution Overview

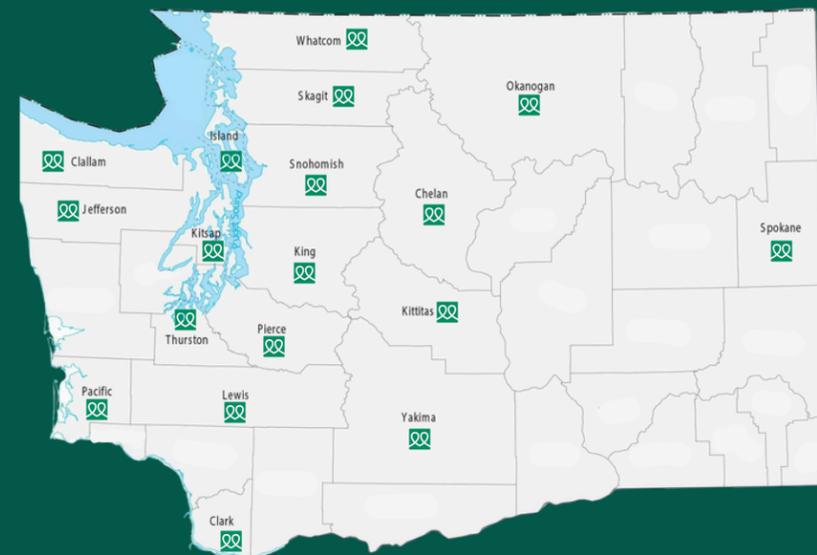

Dear Northwest Hope & Healing,

Thank you so much for the gift cards I received from my oncology social worker at Swedish. I know they will really help me out. I have had surgery and will start radiation five days a week for six weeks and have been worried about transportation. I am so grateful for the help and support of so many people.

Sincerely,

A grant Recipient

Northwest Hope & Healing launched a wine-tasting event in 2012 with the aim of uniting the community in support of an important cause. Over the years, this event has flourished and evolved alongside our organization. After being put on hold in 2020 due to the pandemic, we were thrilled to bring it back in 2024!

On February 3, 2024, the community once again came together to raise a glass to local breast and gynecologic cancer patients. Thanks to an overwhelming display of support, Cork, Fork & Support raised \$68,000!

Special Thanks to Our Partners!

LIFE IN

Nonprofit Partners

In September, the **Pink Ribbon Row** generously donated \$22,000 to Northwest Hope & Healing, bolstering our ability to support those in need.

For the fourth consecutive year, the **Pink Ribbon Army** selected Northwest Hope & Healing to be the sole beneficiary of their Golf Tournament, 5k, and 1k events, raising \$45,000! We are deeply grateful for their ongoing fundraising efforts in support of local cancer patients.

We are honored to have been chosen as a beneficiary of **Windermere Foundation's** Comedy for a Cause. Thanks to the incredible generosity of the Windermere Foundation and the event attendees, we received \$88,450, the largest single donation in NWHH's history.

Healing Box Partners

We are proud to collaborate with **Thrive Causemetics** to provide beauty products to local cancer patients. Their generous in-kind donation of makeup has brought hundreds of patients a special gift to help them look and feel their best.

NWHH is also thankful to **Gates Ventures** and **PitchBook** for gathering their workplaces to assemble Healing Boxes. In 2024, several organizations gathered to write thoughtful, handwritten cards for each Healing Box recipient including **Essex Property Management, Microsoft,** and **Tarragon Property Services.**

Breast Cancer Awareness Month Partners

In October 2024, our incredible community partners stepped up to support individuals and families facing a breast cancer diagnosis. Their generosity and dedication help us expand our impact, and we are proud to collaborate with those who share our mission of hope and healing.
